

ABOUT ME

I'm a front-end developer with expertise in React.js, Next.js, Tailwind CSS, and WordPress. I create seamless, responsive websites and stay updated with the latest web development trends. I focus on user experience and aim to create impactful digital experiences. My goal is to hone my skills and collaborate with like-minded professionals.

EXPERIENCE AND REFERENCES

Student volunteer @ Uncommon.org

I'm a front-end web developer skilled in HTML, CSS, Bootstrap, JavaScript, jQuery, WordPress, ReactJS, Next.js, and Tailwind. I trained with Uncommon.org from 2023 to 2024, specializing in front-end development.

Internship @ Digital Whiz Tech Solutions and Talent Trackers

I successfully completed a one-month internship at Digital Whiz Tech Solutions, focusing on front-end development. During this period, I actively contributed to projects, gaining valuable hands-on experience and enhancing my skills in web development.
